NOTE TO VENUES:

This technical rider is tailored for large festivals and fully equipped venues. However, we understand that not all spaces have the same resources. We are fully prepared to adapt our setup to fit your backline and technical capabilities. Please don't hesitate to reach out with any concerns or questions—we're happy to collaborate and adjust to ensure a smooth performance.

PLEASE SEE FOLLOWING PAGE FOR STAGE PLOT!!

STAGE PLAN:

You can write or call us directly if you have any questions.
